MANOR ESTATE
Timeless Elegance & Modern Comfort

Catthorpe Manor Estate Where Timeless Elegance Meets Modern Comfort

Hidden in picturesque countryside, near the market towns of Rugby and Lutterworth in the Midlands, lies Catthorpe Manor Estate. The Edwardian manor is home to a boutique hotel and elegant restaurant and nestles in 26 acres of mature woodland gardens, with beautiful views stretching across the rural landscape of Warwickshire and Leicestershire.

This enchanting wedding venue offers everything you might wish for to complete your special day. A choice of ceremony rooms, including two licensed 'outdoor' spaces, and a range of beautiful reception rooms are yours to choose from. Furthermore, twenty stunning, sympathetically styled bedrooms, exquisite, freshly prepared food and outstanding customer service, all combine to ensure that your big day is truly memorable.

Get in touch today and a member of our friendly team will be delighted to arrange your visit to the venue and discuss how we can help you to fulfil your wedding dreams.

2

CHAPTER TWO

Your Picture Perfect Ceremony

Imagine your guests seated beneath a canopy of mature woodland on a warm Spring day, enjoying the trill of birdsong and surrounded by a carpet of bluebells as you walk down the aisle. Or, perhaps, arranged around our grand, stone Loggia, with the charming manor house providing the most scenic of backdrops to your wedding ceremony.

Our two licensed 'outdoor' spaces, The Glade and The Loggia, offer magical, unique spaces in which to exchange your vows in the warmer months however, if an outdoor ceremony is not your style, fear not.

With three stunning rooms in the manor and adjacent Banqueting Suite, offering civil ceremony capacity for up to 165 people, Catthorpe Manor Estate has the perfect space to compliment your wedding theme.

3

CHAPTER THREE

Time to Celebrate

Your ceremony at Catthorpe Manor Estate will likely be over quite quickly, leaving you plenty of time to enjoy celebratory drinks and canapés with your nearest and dearest, before your wedding breakfast. Your drinks reception is a time to bask in the happiness of the occasion, whilst your photographer captures those all-important wedding day images.

When you're ready, take a stroll with your photographer and discover more beautiful spots for intimate photographs with your beloved, while we seat your guests for dinner, in preparation for your grand entrance. Your wedding at Catthorpe Manor Estate will include private use of a choice of beautiful rooms and use of the extensive gardens so, whether rain or shine, you can be confident of capturing sensational photographs, both indoors and out.

CHAPTER FOUR

Eat, Drink, Enjoy!

Your first meal together as a married couple should be one of the most memorable experiences of your lives and our team of highly experienced chefs work with the weddings team and our couples to ensure that the wedding breakfast you select not only tastes amazing, but looks every bit as good. Whether you opt for three, four, or more courses, each will be bursting with flavour, produced using fresh, locally sourced ingredients, which will leave a lasting impression on both you and your guests.

When the sun begins to go down, pop out with your photographer, for some romantic sunset snaps, then head back to your evening reception. Enjoy a hog roast, or a variety of fantastic buffets then dance the night away in our spacious Banqueting Suite, complete with your own private bar and adjacent rooms, featuring a large dance floor and plenty of space to invite more guests. Here you can enjoy a disco, live band or even a Ceilidh, complete with caller! Whichever type of entertainment appeals to you, our Banqueting Suite is the ideal space for a fun filled evening.

CHAPTER FIVE

Sleep Well

After a full day of love and laughter, there's nothing better than heading up to bed in the manor that has been your home for the day. No taxis to another hotel are needed for couples booking Cattothorpe Manor Estate for their wedding as, with 20 elegant, beautifully decorated and comfortable bedrooms within the manor, you can stay right where you are.

Enjoy the comfort of your super King size bed and wake up for your first full day of married life, to the sensational views across the countryside and the sweet dawn chorus. Once you're up and about, head down to The Linden Tree Restaurant and conclude your stay with a delicious hearty breakfast, with both Continental and cooked breakfast included in the room rates. The perfect end to your perfect wedding.

Hi Richard,

Just wanted to drop you a quick line to say what a pleasure it was to have you at Samantha & Lee's wedding on Saturday. It would not have gone so smoothly without your presence.

Your professionalism was second to none. We have had many comments praising you, which mirror our thoughts entirely.

Very many thanks again.

Kind regards
Debbie & Steve B

A big thank you for all of your help last weekend. We had the most amazing day, which went so smoothly due to your assistance on the day.

Thank you from the bottom of our hearts.
